Steve,

Thank you for your letter dated October 13, 2011 to Mr. Hill in which you acknowledged Kaiser Gypsum Company's December 21, 2010 notice letter to New England Reinsurance Company, First State Insurance Company, and Twin City Fire Insurance Company.

I assume the letter was partially spurred by my email to you dated October 11, 2011. In that email I explained that Mr. Loschiavo's January 14, 2010 acknowledgement letter was ambiguous because it referenced a notice letter to primary insurers. Now that you have acknowledged Kaiser Gypsum's December 21, 2010 notice letter, we would greatly appreciate it if you would clearly acknowledge the Kaiser Cement Corporation's December 22, 2010 notice letters to New England Reinsurance Company, First State Insurance Company, and Twin City Fire Insurance Company. Copies of those notice letters were attached to my earlier email.

You also advised us to report to the claim to all other insurance carriers that issued policies that may apply and asked for some additional information. I can report that we have provided notice to all the other insurance carriers. You also asked for any and all information about the other policies and contact information for all the other insurance carriers. Because there are so many policies involved, I attach several coverage charts that summarize the coverage picture. I hope you can review that and more narrowly tailor your request for information about the other policies and carriers.

Regarding London and Edinburgh, you wrote in an October 10, 2011 email that the coverage position was still under review and that you would check on it. Do you have anything to report?

Thanks,

Jeff
